MY FEELINGS WORKSHEET

An emotional awareness activity for children

Name: _____ **Date:** _____

Everyone experiences different emotions. There are no wrong feelings. This worksheet can help you understand what you feel and discover healthy ways to respond.

1. How am I feeling today?

■ Happy	■ Sad	■ Angry
■ Worried	■ Calm	■ Excited
■ Other: _____		

2. What happened?

Something that made me feel this way was…

_____

_____

3. What do I notice in my body?

For example: a fast heartbeat, tears, tense muscles, or a relaxed body.

When I feel this way, I notice…

_____

_____

4. What might help me?

■ Taking slow breaths	■ Talking to someone I trust
■ Drawing or writing	■ Taking a quiet break
■ Asking for help	■ Something else: _____

5. Who can I talk to?

A trusted adult or person I can talk to is…

_____

Remember: All feelings are allowed. What matters is learning how to express them safely and ask for help when needed.
